

Want to Power-up Your Paycheck?

Open Enrollment in the City's Flexible Spending Plan (*City Flex*) runs from **May 15, 2025 to June 15, 2025**—to be effective July 1, 2025. Participate in one of the webinar sessions below and let C-Flex show you how to put more money in your pocket by using *City Flex* to save taxes on medical and dependent care expenses. (Session start times are noted in parentheses.)

The deadline to enroll is: June 15, 2025

NBS® Prepaid MasterCard® Card – As part of the Medical Spending Account, you will receive your own NBS card that makes use of your flex dollars easier than ever. As long as the merchant or service provider is set up to receive flexible spending payments via the MasterCard, there is no need to pay cash up front then wait for reimbursement. Supporting documents (such as receipts, bills, or reports to members) may have to be submitted at a later time. (Newly enrolled employees may receive their cards after July 1, 2025. If you do not receive your card within 3 weeks of when you submit your enrollment form, you should contact NBS.)

NEW! A \$250 carryover will be allowed from plan year 2025-26 to plan year 2026-27. Additional information will be provided in the informational sessions.

Even if you enrolled during the last Open Enrollment Period, **you must sign-up again to participate** for this plan year (7/1/2025 to 6/30/2026).
